Which Product Is Right for Me?

HiDef Corporate

Citrix Online Audio Services Group, LLC.

HiDef Conferencing audio service gives you crystal-clear audio conferencing plus the tools to extract maximum value from every call. We built two versions – HiDef Conferencing™ and HiDef Corporate™ – to provide the best fit for your needs.

HiDef Conferencing

HiDef Conferencing offers feature-rich, simple-to-use high-definition unattended audio conferencing in an affordable, flat-rate package for individuals and small teams. It is sold online and available with a 30-day free trial.

With HiDef Conferencing individuals and teams can:

- Sign up online and set up in minutes.
- Simultaneously support toll-based, toll-free and VoIP callers.
- Plan conference calls in advance or start one instantly.

HiDef Corporate

HiDef Corporate offers SMB and large enterprise companies high-definition unattended audio-conferencing solutions. It is sold through an offline sales rep who will negotiate a customized rate based on your company's needs.

With HiDef Corporate businesses can:

- Control and monitor audio usage and costs through a Web-based admin tool.
- Record, store and distribute calls for free.
- Rely on dependable SLAs guaranteeing 99.99% uptime.
